Plaintiff,

2008 THROUGH DECEMBER 10, 2008
FROM CALCULATIONS UNDER THE
SPEEDY TRIAL ACT

v.

TRIEU LAM and
THANH TRAN,
a/k/a David Tran

Defendants.

Defendant Trieu Lam ("Lam" or "defendant") and plaintiff United States of America,
hereby stipulate as follows:

1. The above-captioned case is a trade secret case in which there are thousands of pages of
discovery. There are outstanding discovery issues. Defendant Lam and the government have
entered into a stipulated protective order to facilitate the discovery of confidential information.
On November 1, 2006, defense counsel raised additional issues concerning this information. In
February 2007, the government has sent defense counsel a response to these issues. On March
11, 2007, defense counsel requested clarification of the government's responses. On April 26,
2007, the government provided this clarification. The parties met on September 13, 2007, and

STATUS CONFERENCE AND EXCLUDING TIME
CR-03-20198-JF

1 began investigating the issues that arose from this meeting. The parties completed a substantial
2 portion of their investigation and met in late January 2008 to discuss a potential disposition to
3 this matter. Due to conflicts in their schedules, the parties were unable to meet again until July
4 29, 2008. At that meeting, the parties discussed a potential disposition that would require
5 additional investigation. The parties need additional time to complete their investigations and
6 discussions to determine whether a disposition is possible.

7 2. The defendant understands and agrees to the exclusion of time from calculations under
8 the Speedy Trial Act, 18 U.S.C. § 3161, for the period from October 15, 2008 through December
9 10, 2008, based upon the need for the defense counsel to analyze the confidential information
10 and investigate further the facts of the present case. Defense counsel needs additional time to
11 investigate the facts of this case and evaluate further possible defenses and motions available to
12 the defendant.

13 3. A status conference will not being meaningful until after defendant Lam has had an
14 opportunity to complete his investigation. The parties agree that the status conference currently
15 scheduled for October 15, 2008 and should be continued to December 10, 2008 at 9 a.m.

16 4. The attorney for defendant Lam joins in the request to exclude time under the Speedy
17 Trial Act, 18 U.S.C. § 3161, for the above reasons, and believes the exclusion of time is
18 necessary for effective preparation of the defense; believes the exclusion is in the defendant's
19 best interests; and further agrees that the exclusion under the Speedy Trial Act, 18 U.S.C.
20 § 3161, should be for the period from October 15, 2008 through December 10, 2008.

21 Given these circumstances, the parties believe, and request that the Court find, that the
22 ends of justice are served by excluding the period from October 15, 2008 through December 10,
23 2008, from calculations under the Speedy Trial Act and that the requested exclusion outweighs
